

**Performance classes:** may be limited to a total of 10 entries for each class. Youth will be allowed to enter Open classes. However, the **same animal** will **NOT be allowed** to show in **both** a Youth Class and an Open class.

**Arrival and Departure:** Llamas may check-in between 3pm and 9pm Friday, September 26<sup>th</sup> (PLEASE DO NOT ARRIVE EARLY WITHOUT MAKING SPECIAL ARRANGEMENTS WITH THE SUPERINTENDENT) or 5pm – 7pm Saturday evening, September 27<sup>th</sup>. All halter llamas must be checked in before 8:00 pm Saturday, September 27<sup>th</sup>. Departures can be made on Saturday or Sunday after 5pm and prior to 8 p.m. each evening. Stalls must be cleaned if you are departing on Saturday evening.

**Note from the Superintendent:**

I want to thank all the volunteers who helped even the smallest amount last year; I was very pleased how smoothly the show went and it was largely due to all the help from you – Thank you very much!

We will again have driving classes so bring your driving llama and cart! I am working on having an apprentice judge again this year so that we can move quickly through the performance classes on Saturday. I want everyone to have a good time and be able to relax on Sunday, but I know many of last year’s participants had 3-4 hour drives to get home. I will work on moving the classes along at a steady pace without getting whiny about it :-).

Please note **SOME CHANGES** from last year: 1) Nonbreeder halter has moved to Saturday, 2) a “Classic” division has been added to the halter schedule for Sunday [find the Classic description on page 5], 3) for halter, \*all\* the female divisions will be completed and then the males will show, and 4) we will try walking fleece classes [please note there is an additional form for this class] on Sunday but it will not be for ALSA points.

Please e-mail questions to me at [Hal.Koenig@KoenigLlamas.com](mailto:Hal.Koenig@KoenigLlamas.com) as they come up and I’ll do my best to get back to you quickly.

Thanks for your interest in the Oregon Flock & Fiber Festival ALSA Llama Show! I look forward to seeing you in September!

## 2008 OFF SHOW RULES

### HALTER CLASSES

- ❖ All llamas shall be present for judging with a halter and lead rope with no additional decorations-halters shall not have tassels, pompoms or other removable decorations.
- ❖ No ranch, personal, animal, or organizational name, logo or insignia shall be displayed on the exhibitor or animal during the class.
- ❖ Nursing llamas cannot be accompanied in the ring by their babies. ALSA recommends not showing nursing mothers.
- ❖ The Judge may dismiss animals exhibiting unruly or unsafe behavior from the ring. Dismissal can take place even before the animal enters the ring if show personnel bring the matter to the Judge's attention.
- ❖ The Judge may dismiss an exhibitor and their animal from any class if the exhibitor mistreats their animal.
- ❖ Show management may dismiss an exhibitor and their animal from participation at the show if the exhibitor mistreats their animal.
- ❖ Llamas may not be moved from one class to another after halter judging has begun, except at the Judge's discretion.
- ❖ Youth between the ages of 8 through 18 may show intact males. It is recommended that youth under 8 years of age not show intact males and youth between the ages of 8 to 12 years not show intact males over 24 months of age.
- ❖ Handler attire should be conservative, neat and appropriate for the class. Shoes should be appropriate for the show ring (open toed shoes, sandals and bare feet will disqualify the exhibitor). Suggested attire is dark pants or skirt and white shirt or blouse.
- ❖ Exhibitors shall not knowingly exhibit animals in any ALSA class, which, in their opinion, exhibit unsoundness.
- ❖ Exhibitors are responsible for following the progress of the show and shall be at ringside ten minutes before their class is called.
- ❖ An exhibitor shall not knowingly show where there is a conflict of interest with the Judge. The burden of responsibility is with the owner, exhibitor or trainer to recognize a conflict of interest.

### PERFORMANCE CLASSES

- ❖ Llamas are to be entered in the division for which they are eligible at the time of the show.
- ❖ Halter class rules also apply.
- ❖ Classes are open to any llama five months of age or over, except if otherwise specified in the class requirements.
- ❖ Alpacas may be entered and compete in the performance and Showmanship classes with the llamas.
- ❖ A llama may be entered in only one division of the respective class. It is the exhibitors' responsibility to enter the correct division.
- ❖ Llamas must make an attempt at each obstacle, otherwise it will be counted as "off course."
- ❖ In adult classes, llamas must make only one attempt at each obstacle. If obstacle is not completed, they will be judged accordingly and then go on to the next obstacle.
- ❖ A llama or handler going off-course cannot place over an animal that completed the course.
- ❖ Coaching from the sidelines by spectators is discouraged and may compromise the exhibitor's scoring.
- ❖ After refusals at three obstacles, it will then be mandatory for the Judge to dismiss the exhibitor from the course. This procedure is not to be used in Youth classes without prior agreement of show management and explanation to the exhibitors.
- ❖ In obstacle classes, it is at the Judge's discretion whether the handler must negotiate the obstacles.
- ❖ Only voice and hand commands may be used in exhibiting animals.
- ❖ No written notes may be used in performance classes.
- ❖ Exhibitors may request the Judge provide a review of their individual score cards. Scorecards may not be reviewed without the permission of the Judge. All score sheets should remain the property of the Judge and only interpreted by the Judge with exhibitors on an individual basis.

### SHOW SUGGESTIONS

- ❖ Both handler and animal should be neatly groomed and attired.
- ❖ When in the show ring, do not talk with ring personnel or other handlers unless required.
- ❖ Concentrate on showing your animal to its best ability.
- ❖ Your animal can be more easily evaluated if it leads well and stands quietly.
- ❖ Encourage your animal to defecate before entering the ring.
- ❖ Watch closely for instructions from the Ring Steward or Judge.
- ❖ Be ready to show your animal's number to the Ring Steward or Judge when necessary.

# CLASS DESCRIPTIONS

## HALTER CLASSES

### Breeding Llamas

#### Wool Division Descriptions:

Light Wool: Minimal body wool, short neck wool with smooth head, ears and legs. Medium Wool: Moderate to long body wool, minimal to moderate neck wool, smooth to moderate head and leg wool. Heavy Wool: Abundant body and neck wool, and minimal to abundant head and leg wool (i.e. leg wool at least to knee and hock). Classic Llamas: double coat with prominent, abundant guard hair throughout coat, on the body (except juveniles and yearlings), undercoat has moderate to sparse density and is either minimally or not at all visible under the guard hair, very short smooth fiber on the face, ears, forehead and head, short leg fiber above the knee or hock and short smooth or minimally ruffled hair below the knee or hock, a large “window” of short, smooth hair on either side of their sternum, and neck fiber that often sheds out leaving a discernable guard hair “mane.” Classic description from ALSA BOD meeting minutes, 11 March 2008.

#### Age Division Descriptions:

Juvenile: 5 months up to less than 12 months. Yearling: 12 through less than 24 months. Two-Year Old: 24 months through less than 36 months. Adult: 36 months and older

**NOTE: On a llama’s birthday, the llama moves up to the next older class**

### Non-Breeding Llamas

These classes are for geldings, vasectomized males, and spayed or non-reproductive females. There are no sex or wool divisions. **Rule**: a registration or veterinarian certificate verifying status must accompany these llamas. Champion Non-Breeder is qualified for Best of Show class. Age Divisions: same as other halter classes but no juvenile class is available.

#### Get of Sire:

Each entry must include three offspring by the same sire out of at least two different dams. All animals included in the get must first be shown in their appropriate halter class age division. While the entry is in the sire’s name, and awards recognize the sire, the sire is not shown in the class. **Rules**: The three animals that comprise the get may be decided after halter classes but must be listed with the clerk before this class is held. If the Exhibitors(s) is (are) not the sire’s owner, they must have written permission of the sire’s owner.

#### Produce of Dam:

Each entry must include two offspring by the same dam. All produce must be shown in their appropriate halter class age division. While the entry is in the dam’s name, and awards recognize the dam, the dam is not shown in this class. **Rules**: The two animals that comprise the produce may be decided after halter classes but must be listed with the clerk before this class is held. If the Exhibitor(s) is (are) not the dam’s owner, they must have written permission of the dam’s owner.

## PERFORMANCE CLASSES

### Obstacle, Public Relations and Pack Classes

The purpose of these classes is to demonstrate the well-trained animal’s obedience and willingness to complete the activities requested by the handler.

## YOUTH CLASSES

**Age Categories** (youth’s age is based on their age on January 1<sup>st</sup>, 2008):

Junior: 8 years through 10 years

Intermediate: 11 years through 14 years.

Senior: 15 years thru 18 years

All youth ages 8 through 18, as of January 1 of the calendar year, may show in the following classes.

### Showmanship Classes

A Showmanship class is a demonstration of the handler’s ability to show his/her animal to its best advantage at halter. Judging is based on the exhibitor’s basic skills in fitting, grooming, following directions, and style of presenting the animal to the Judge for evaluation. The animal’s conformation is not to be considered. Handler’s attire should be neat, clean, and appropriate for the class.

### Costume Class

This is a non-ALSA class where the llama, and typically the handler, are dressed in costume. Recognizing that most llamas do not like things touching their head and legs, the handler earns “extra points” for having a costume that requires the llama to accept decorations/costume parts that cover/touch these areas.
