

**Arrival and Departure:** Llamas may check-in between 3pm and 9pm Friday, September 24<sup>th</sup> (PLEASE DO NOT ARRIVE EARLY WITHOUT MAKING SPECIAL ARRANGEMENTS WITH THE SUPERINTENDENT) or 5pm – 7pm Saturday evening, September 25<sup>th</sup>. All performance llamas must be checked in before 8:00 pm Saturday, September 25<sup>th</sup>. Departures can be made on Saturday or Sunday after 5pm and prior to 8 p.m. each evening. Stalls must be cleaned if you are departing on Saturday evening.

**Note from the Superintendent:**

In the spirit of not getting bored, we are doing a double show this year; half ILR and half NW ALSA Regional! You can sign your animals up for either or both shows as you wish. For ALSA Regional information and forms go to the ALSA website.

I want everyone to have a good time but I know many participants “look forward” to 3-4 hour drives to get home. Please help me work on moving the classes along at a steady pace and I will try not to get whiny about it :-).

The schedule is: 1) Halter on SATURDAY, and Performance on SUNDAY. Please don't feel obligated to stay the whole weekend if you only have animals entered in halter – we break down a bunch of pens on Saturday evening and this gives us the space needed to have all the performance courses set up at the same time.

Please e-mail questions to me at [Hal.Koenig@KoenigLlamas.com](mailto:Hal.Koenig@KoenigLlamas.com) as they come up and I'll do my best to get back to you quickly.

Thanks for your interest in the Oregon Flock & Fiber Festival ILR Llama Show! I look forward to seeing you in Canby!

Hal

### The 2010 OFFF Performance Show...

...is an optional double show with two judges; exhibitors can enter both shows if they pay ILR and ALSA entry fees. To maximize the learning opportunities for both the llamas and their handlers who opt for the double show, each handler/llama pair will compete on an ALSA course under the ALSA judge and on a moderately different ILR course under the ILR judge. The idea is to have your llama exposed to as many different things as possible.

Rotation Number	PR Course		Pack Course		Obstacle Course	
	Exhibitors	Judge & Course	Exhibitors	Judge & Course	Exhibitors	Judge & Course
1	Intermediate, Novice, Jr.	ALSA	Advanced Senior	ILR		
2			Intermediate, Novice, Jr.	ILR	Master, Adv., Senior	ALSA
3	Advanced Senior	ILR			Intermediate Novice, Jr.	ALSA
4	Intermediate, Novice, Jr.	ILR	Master, Adv., Senior	ALSA		
5			Intermediate, Novice, Jr.	ALSA	Advanced Senior	ILR
6	Master, Adv., Senior	ALSA			Intermediate Novice, Jr.	ILR

The placement of competitors into the groups shown above (Intermediate, Novice, Junior and Master, Advanced, Senior) is a guess and the composition of the group may be adjusted so the groups are approximately the same size. For alpaca entries in the ALSA show, it is likely the adults will be included with the Master/Advanced group and the youth will be included with the Intermediate/Novice group.

## CLASS DESCRIPTIONS

### HALTER CLASSES

#### Breeding Llamas

##### Wool Division Descriptions:

Light Wool: Minimal body wool, short neck wool with smooth head, ears and legs. Medium Wool: Moderate to long body wool, minimal to moderate neck wool, smooth to moderate head and leg wool. Heavy Wool: Abundant body and neck wool, and minimal to abundant head and leg wool (i.e., leg wool at least to knee and hock). Classic Llamas: double coat with prominent, abundant guard hair throughout coat, on the body (except juveniles and yearlings), undercoat has moderate to sparse density and is either minimally or not at all visible under the guard hair, very short smooth fiber on the face, ears, forehead and head, short leg fiber above the knee or hock and short smooth or minimally ruffled hair below the knee or hock, a large “window” of short, smooth hair on either side of their sternum, and neck fiber that often sheds out leaving a discernable guard hair “mane.”

##### Age Division Descriptions:

Juvenile: 5 months up to less than 12 months. Yearling: 12 through less than 24 months. Mature: 24 months and older

**NOTE: On a llama’s birthday, the llama moves up to the next older class**

#### Non-Breeding Llamas

These classes are for geldings, vasectomized males, and spayed or non-reproductive females. There are no sex or wool divisions.

**Rule**: a registration or veterinarian certificate verifying status must accompany these llamas. **Age Divisions**: same as other halter classes but no juvenile class is available.

#### Get of Sire:

Each entry must include three offspring by the same sire out of at least two different dams. All animals included in the Get must first be shown in their appropriate halter class age division. While the entry is in the sire’s name, and awards recognize the sire, the sire is not shown in the class. **Rules**: The three animals that comprise the get may be decided after halter classes but must be listed with the clerk before this class is held. If the Exhibitor(s) is (are) not the sire’s owner, they must have written permission of the sire’s owner.

#### Produce of Dam:

Each entry must include two offspring by the same dam. All produce must be shown in their appropriate halter class age division. While the entry is in the dam’s name, and awards recognize the dam, the dam is not shown in this class. **Rules**: The two animals that comprise the produce may be decided after halter classes but must be listed with the clerk before this class is held. If the Exhibitor(s) is (are) not the dam’s owner, they must have written permission of the dam’s owner.

### PERFORMANCE CLASSES

#### Obstacle, Public Relations and Pack Classes

The purpose of these classes is to demonstrate the well-trained animal’s obedience and willingness to complete the activities requested by the handler.

### YOUTH CLASSES

**ILR Age Categories** (youth’s age is based on their age on 1/1/2010 except youth whose 7<sup>th</sup> birthday occurred between 1/2/10 and 9/24/10):

Junior: 7 years through 11 years

Intermediate: 12 years through 15 years.

Senior: 16 years thru 18 years

#### Showmanship Classes

A Showmanship class is a demonstration of the handler’s ability to show his/her animal to its best advantage at halter. Judging is based on the exhibitor’s basic skills in fitting, grooming, following directions, and style of presenting the animal to the Judge for evaluation. The animal’s conformation is not to be considered. Handler’s attire should be neat, clean, and appropriate for the class.

#### Costume Class

This is a non-ILR class where the llama, and typically the handler, are dressed in costume. Recognizing that most llamas do not like things touching their head and legs, the handler earns “extra points” for having a costume that requires the llama to accept decorations/costume parts that cover/touch these areas.
